

Dear BlueSpace Africa:

I writing to express my interest in the Database administrator position in your noble institution for your consideration.

I enjoy solving large and complex data problems. I am extremely organized, analytical individual with excellent IT skills. I have spent the last year developing complex database driven application, testing and diagnostics and setting up access and privileges. I have an excellent understanding of data protection requirements.

Furthermore, my expert knowledge of web technologies, Java, Excel Visual Basic Application, MS Office suite and my ability to analyze data using popular data science languages including Python, R, and my basic knowledge in machine learning will allow me to play a crucial role in the organization as well as contributing positively to the progress of the organization. I am currently working as the web administrator and the information design manager for the National Sports Authority, Ghana.

I believe that my academic qualifications and experience aligns with the qualification you are looking for. I am open to be instructed and guided on the job.

Thank you for your time and consideration. I am looking forward to hearing from you soon. Kindly find attached curriculum vitae.

Yours Sincerely,

Prince Asamoah
